Information for you and your pets:

- Our clients and their pets are the top priority at Hilton Veterinary Hospital
 - The general practice offers sterilisations, vaccinations and primary care
 - A nurses clinic is available to your pets offering the following services:
 - Oral health advice
 - Nail clipping
 - Blood pressure measurement
 - Nutritional advice
 - Medication administration and dosing
 - Weight clinics
 - Please book with reception to ensure availability
 - Should your pet fall ill and be brought in for help they will have access to comfortable hospital facilities:
 - Including covered mattresses
 - Temperature controlled wards
 - Separate cat, dog, general, intensive care and isolation wards
 - They will have access to high levels of effort, expertise and state of the art treatment and diagnostic equipment
 - You are welcome to assist us in the treatment of your animal by:
 - Helping to pacify them during treatment
 - Visiting them in hospital
 - Placing them on a medical aid
 - When hospitalised, your animals are not left alone, staff are employed 24 hours a day to monitor hospitalised patients
 - www.hiltonvethospital.co.za is an interactive website containing information valuable to your pet as well all our contact details (e-mails)
 - If you use Facebook look us up (Hilton Vet Hospital)
 - Our consulting hours are:
 - Week days: 7:30am-6:00pm
 - Saturdays: 9:00am-12:00am
 - Sundays and public holidays: 9:00am-10:00am
 - We work by appointments to avoid waiting, **we will see emergencies immediately**
 - We are happy to do house calls on an emergency and arrangement basis when possible
 - Special orders are done with Jane and Lana [jane or lana@hiltonvethospital.co.za](mailto:jane_or_lana@hiltonvethospital.co.za)
 - The practice principle is Dr Martin de Scally martin@hiltonvethospital.co.za
 - The accounts lady is Wendy Godfrey wendy@hiltonvethospital.co.za
- Please feel free to come and enjoy some tea or coffee, meet us and take a tour
